O Sacrament Most Holy

O Sacrament Divine

All praise and all thanksgiving be every moment thine.

"Christ's real presence in the Eucharist is often understood in a
very passive way, as some sort of static physical presence. Our
task at liturgy is not to be there as passive spectators but to
appreciate and respond to what is being celebrated. At eucharist,
we need to recognize the Christ who is present there, not only in
the consecrated bread and wine, but in the assembly gathered in
his name, in the word which is proclaimed, in the priest who
presides, and in the charity that should characterize the community.
The presence of Christ overwhelms us with its pervasiveness and
power. Unless we appreciate this, we cannot respond with a faith
and love that will transform us." Paul Bernier, sss

Memorial Day Prayer

*Heavenly Father, we remember and give thanks...
as we lift up in prayer our fathers and grandfathers,
brothers and sisters, who have given their lives in service for our country. We
pray that we will always be grateful and thankful for their heroic valor
amid be grateful and thankful for their heroic valor amid
a sea of risk and danger.*

*For those who are still in the battlefields,
And those who have gone before us in faith,
We pray that Jesus be their anchor of hope and promise!
May the land, the sea, the air that separates us from them, be seen as "holy
ground."*

We pray this in the holy and precious name of Christ, Our Lord.
