Nobody's Friend: My name is gossip. I have no respect for justice. I maim without killing. I break hearts and ruin lives. I am cunning and malicious and gather strength with age. The more I am quoted, the more I am believed. My victims are helpless. They cannot protect themselves against me because I have no name and no face. To track me down is impossible. The harder you try, the more elusive I become. I am nobody's friend. Once I tarnish a reputation, it is never the same. I topple governments and wreck marriages. I ruin careers and cause sleepless nights, heartaches and indigestion. I make innocent people cry in their pillows. Even my name hisses. I am called gossip. Before you repeat a story, ask yourself: "Is it true? Is it harmless? Is it necessary? If it isn't, don't repeat it. *VFW Barney-Figueroa, Post 6271.*
