**What is Stewardship?** To be a Christian disciple is a rewarding way of life – to love and serve as Jesus did. As disciples of Jesus, we recognize God as the origin of life, giver of freedom, and source of all things. We are grateful to God for the gifts He as given us and as Christian stewards, we are eager to share our gifts. Stewardship calls us to a spirituality that deepens our relationship with the Lord. As a way of life, Stewardship is a way of thanking God for all His blessings by returning a portion of our time, talent and treasure that he has so graciously given us through service to others.
